

## D-Cerno TC

### D-Cerno Transport Case

### Description

The D-Cerno TC is a *high-quality transport and storage case for a complete D-Cerno system*. The case offers room for 12 D-Cerno delegate units and one central unit, including a power supply and cables. The foam inlays have been laser cut, making a perfect fit for the equipment and offering maximum protection against dust and impacts.

The case has been designed for *frequent use and safe transportation*. It is built from durable, rugged materials and has a handle at the front. As a result, it is easy and comfortable to move around.

### Features

- Pre-formed foam inlays
- Room for 12 D-Cerno units, a Central Unit, a Power supply & cables

### Specifications

Mechanical	
Color	RAL 9011
Size (mm)	625 (w) × 250 (h) × 540 (d)
